Hear More.
Live Better.

Hearing Assistant is a simple phone app that makes voices and sounds around you easier to hear.

☐ FREE copies of the app for residents

☐ = Coming soon / = Available now X = All given out

- **Hear people talk** — at the table, on visits, and in groups
- **Works with your earbuds** or headphones and your phone
- **Turn the volume up** as much as you need with one easy slider
- **Keeps working** even when your phone screen is off
